

What to Do and See

Steeped in history dating back to Napoleonic times, Bexhill-on-Sea hosted the first British Motor race in 1902.

Bexhill provides a peaceful retreat from the neighboring bustling resorts of Eastbourne and Hastings and is within easy reach of the ancient Cinque port town of Rye, Medieval Winchelsea, Cuckmere Haven etc.

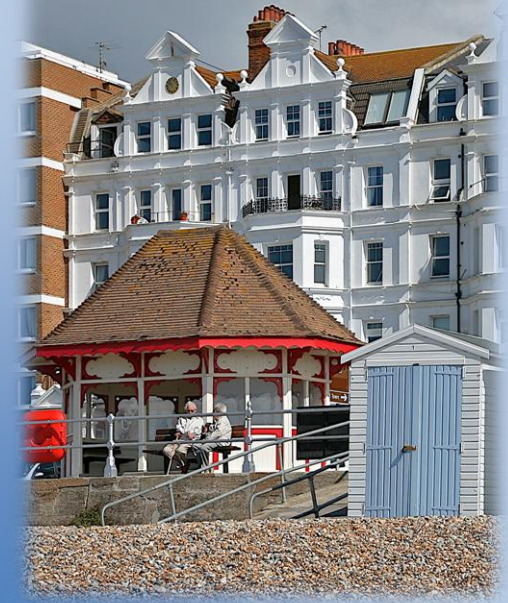

With its Victorian and Edwardian architecture Bexhill has a magnetism that encourages those who leave – to return and those who visit - to stay, time and time again

Rambling, Rowing, Golfing, Cultural and Sailing enthusiasts will enjoy Bexhill's facilities and the surrounding area.

Visit the De la Warr Pavilion, Bexhill Museum; Bexhill Old Town and Manor House and splendid Egerton Park or lunch in one of the many boutique cafes or restaurants.
